Edgewater Beach Hotel

**theflohemian** Check into this slice of paradise the @edgewaterbeachhotel 🏡 on TheFlohemian.com. Doesn't the view from the bedroom look like a painting?! 🌅 Read all about my @paradisecoast FLOventures 🍷 via link bio. ❤️ #hosted

The Dock at Crayton Cove

**theflohemian** This spot is the taco bout town 🌮. When you pass through the @paradisecoast be sure to grab some from from fresh FL 🍷 seafood at @thedockcraytoncove. 🍷 This spot is a Naples Original that opened in 1976 with REAL drinks made with REAL fruit juices. 🍷 Here's what I got during my visit + all were yummo:  
🍷 Blackened Mahi Tacos with Esquites 🍷  
🍷 Paloma Picante- tequila, Jalepeño + grapefruit 🍷  
🍷 Stone Crab Claws done the FLO way with mustard sauce (in Season Oct 15-May15)  
🍷 Maine Lobster Roll

JW Marriott Marco Island Beach Resort

theflohemian #FloridaFunFact Friday coming to you from the @paradisecoast with the history of @jwmarcoisland. 🌴 This Gulf front resort in Marco Island feels like a piece of Polynesia, with its structure dating back to 1971. Marco was widely developed in the 1960s by the Mackle Brothers selling "The Florida Dream." They recruited architect Herb Savage to develop condos + hotels with the guideline to "Make everything look Hawaiian." 🌺 Before Herb took himself to the drawing board, he took himself to Hawaii to study the architecture 🏗️ . Sounds like some tough research to do in an Aloha shirt with a rum drink 🍹 . The pinnacle of his #paradisecoast creations was this

paradisecoast • Southern Nights

theflohemian Southern Nights on the @paradisecoast with @gopurefl for a sunset cruise around Naples. 🌅 This song was playing as we approached Keewaydin Island through Gordon's Pass, with a few surfers riding into the sunset. ❤️ This song is rather special to me, it's only the song that came on the radio after my Dude proposed. 🎧 Add in an epic sunset with the person I love on my home coast, this may have been the best 1-1/2 hours of 2020 aboard this boat. 🛥️ I tried my best to share it with you in 30 seconds. 🍊
