ACCOMMODATIONS INSPIRED BY OUR DESTINATION

We are a space of stillness, where the five senses awaken. Where the mind rests and healing comes with the sound of the sea. Where you remember unity. We are a family of the heart. A home to return to, a house of the Self. Our rooms are silent and welcome you with fine cotton and linen décor. Art blends-in seamlessly, and the absence of televisions and telephones invite you to return to the essential, to reconnect with mind, body and soul while you live in the present.
