# Texas Night Skies Experience

More Info

## About this Event

Come to our indoor stargazing experience at Santa Monica Place and immerse yourself in the wonders of a starry Texas night. From catching a glimpse of the Milky Way at Palo Duro Canyon State Park to observing the stars through a telescope at the McDonald Observatory, Texas' night skies simply can't be beat.

Located in on Level 1, in between Nike and Tesla

## When

Fri., 3-11-2022  
noon
