***Irving's 12 Days of Holiday Giveaways** gifts 46 concert tickets, 38 pies, 28 dining gift cards, three hotel stays, high tea for two and more*

IRVING, TX (December 1, 2023) – It's the season for giving, and Irving is getting in the spirit. For 12 consecutive days, starting today through December 12, Visit Irving and its community partners are offering consumers the chance to win extraordinary gifts and experiences sure to dazzle and delight.

Irving's 12 Days of Holiday Giving was created to delight several lucky winners and showcase the city as an ideal staycation destination with a diverse dining scene and array of fun, festive activities.

"A recent GetYourGuide survey found that a staggering 92% of Americans would prefer experiential gifts over 'material' ones," said Diana Pfaff, Vice President, Marketing & Communications at Visit Irving. "And in that spirit, with our hotels, restaurants and other attractions, we have put together these fun and exciting packages to give families, couples and friends some unforgettable time together."

Prizes range in value from \$450 to \$7,200. The total value of the prizes exceeds \$15,000. Participants are required to enter daily for a chance to win. One winner will be selected at random each day.
